RE: Class 2 Permit Modification Request 11-00242
Mixed Waste Liquid Storage Tanks
UTD982598898

Dear Mr. Shrum:

On January 27, 2011, EnergySolutions submitted a Class 2 Permit Modification Request. This request adds three mixed waste storage tanks. The addition of these tanks requires changes to Module IV, *Storage and Treatment in Tanks*; Attachment IV-1, *Tank Management Plan*; Attachment II-1-6, *Leachate, Evaporation and Decontamination Waste Management Plan*; and, Attachment II-3, *Site Inspection Plan*.

A public comment period was held regarding this modification request. No comments were received.

The changes proposed by this request have been reviewed and are hereby approved. Approval of this modification request rescinds the approval of Temporary Authorization 2011-00242 granted for use of one of the tanks.

If you have any questions, please contact Otis Willoughby at (801) 536-0220.

Sincerely,

ORIGINAL DOCUMENT SIGNED BY SCOTT T. ANDERSON ON 4/25/2011
