SUBJECT: Containerized Waste Facility (CWF) Design Drawings – proposed new expanded footprint: Radioactive Material License UT 2300249 and GWQDP UGW450005 Modification

Dear Mr. McCandless:

The Division of Radiation Control (DRC) has completed its evaluation of your request letter dated February 22, 2013 and the Licensee's response letter dated June 24, 2013. Based on the information and final design drawings provided in the June 24, 2013 letter (CD13-00161), the Director of the DRC hereby approves the following drawings: 10014-C05, rev. 6; 10014-C07, rev. 3; and 10014-C07A, rev. 2.

As discussed in the July priorities meeting, these drawings will be incorporated into Table 5 "Approved Engineering Design Drawings for Waste/Wastewater Related Facilities" of the GWQDP that will be going out for public comment regarding other changes to the GWQDP.

If you have any questions or concerns regarding this approval, please contact John Hultquist at (801) 536-4250.
