RE: Environmental Protection Manual (EPM) White Mesa Uranium Mill: Radioactive Material
License Number UT 1900479

Dear Ms. Weinel:

The Division of Radiation Control (DRC) has reviewed the revised EPM provided in a letter dated November 18, 2014. The DRC finds the EPM adequate at this time and therefore is hereby approved. As per License Condition 11.9, the licensee shall implement this plan within 90 days from the date of this letter.

Please note the DRC will include this revised EPM as part of the Renewal licensing action that will go out for public comment. If you have any questions or require clarification concerning the letter, you may contact John Hultquist at (801) 536-4250.

Sincerely,

Rusty Lundberg, Director
Division of Radiation Control
