Dear Mr. Schoenbacher:

Congratulations and welcome to Clean Utah. Your application successfully passed the compliance screen by the Utah Department of Environmental Quality, the Summit County Health Department, and the U.S. Environmental Protection Agency. Your entry into our program is overwhelmingly supported.

As you are aware, your EMS did not meet the requirements for our Partner level. It is my understanding that Sonja Wallace is working closely with you to develop an EMS for your Building Department. Once it is in place for one complete cycle, please consider reapplying to the Partner level. As you are aware, this is the level where the incentives and formal recognition, including use of the Clean Utah logo, become available to participants.

We list all of our Clean Utah participants on the DEQ website. (The address is [http://www.deq.utah.gov/cleanutah/entry\\_level\\_partners.htm](http://www.deq.utah.gov/cleanutah/entry_level_partners.htm)). Please contact Renette Anderson at either 801-536-4478 or [renetteanderson@utah.gov](mailto:renetteanderson@utah.gov) and let her know if you have a website you would like us to link to from our page. She will also assist you with any other questions you may have regarding Clean Utah.

Best Regards,

Dianne R. Nielson, Ph.D.  
Executive Director
