B. Type(s) of Certified Individuals Employed

Please indicate the type(s) of certified individuals the firm intends to employ:

- Inspectors Abatement Workers Inspector/Risk Assessors Supervisors Project Designers
- Renovators Dust Sampling Technicians

C. Certification Fee

The Utah DAQ has established a fee of \$100.00 per year for the certification of firms who only perform Renovation activities and \$250.00 for firms who perform any other regulated LBP work activity. To determine your total LBP firm certification fee, place the number of years of certification your firm is applying for with this application, place the number in the **Years of Certification** column of the table (below), multiply the number of years by \$100.00 or \$250.00 and put the appropriate fee in the **LBP Firm Certification Fee** column. This firm fee must be paid to the Utah Division of Air Quality at the time of application. Certification fees represent the cost for a complete certification year or any fraction thereof. LBP firm certification will expire at the end of the month the application is approved on the appropriate year based on the fee received by the Utah DAQ.

	Years of Certification (five years maximum)	LBP Firm Certification Fee
Certified Lead-Based Paint Firm	_____ X \$250.00	
Certified Lead-Based Paint Renovation Firm	_____ X \$100.00
