Order Adopting Recommended Decision

June 8, 2015

---

Pursuant to Utah Code Ann. § 19-1-301.5 and Utah Admin. Code R305-7-201 *et seq.*, the Administrative Law Judge (“ALJ”) has submitted Findings of Fact, Conclusions of Law, and Recommended Decision dated May 15, 2015, (“Recommended Decision”) in the above-captioned adjudicatory proceeding. When the ALJ submits a proposed dispositive action to the Executive Director, the Executive Director may: (1) adopt it, with or without modifications; (2) reject it; or, (3) return the proposed dispositive action to the ALJ for further action as directed. Under authority of Utah Code Ann. §§ 19-1-301(7)(b-d) and 19-1-301.5(13), I have reviewed the Recommended Decision. I am persuaded that Uranium Watch failed to timely file its RFAA as required by Utah statutes and administrative rules, and that neither the ALJ nor I have discretion to modify the deadline for timely filing of the RFAA. Therefore, I adopt the Recommended Decision in full and HEREBY ORDER:

1. Petitioner, Uranium Watch, failed to timely file its RFAA as required by Utah statutes and administrative rules, and as described in the ALJ’s Recommended Decision;
2. Energy Fuels Resources (USA), Inc.’s, motion to dismiss the RFAA is granted, on grounds that Uranium Watch’s failure to timely file its RFAA mandates dismissal of these proceedings and prohibits this tribunal from exercising jurisdiction to review the RFAA; and,

3. Uranium Watch's RFAA is therefore dismissed with prejudice, terminating these adjudicative proceedings.

DATED this 8<sup>th</sup> day of JUNE, 2015.

Executive Director
