
BEFORE THE EXECUTIVE DIRECTOR
OF THE UTAH DEPARTMENT OF ENVIRONMENTAL QUALITY

In the Matter of:

EnergySolutions, LLC – License No.
UT2300478, Amendment #8

**FINDINGS OF FACT, CONCLUSIONS OF
LAW, AND RECOMMENDED ORDER
DISMISSING UW'S REQUEST FOR
AGENCY ACTION**

August 30, 2013

Richard K. Rathbun,
Administrative Law Judge

Pursuant to Utah Code Ann. 19-1-301.5(11) the ALJ submits the following Findings of Fact, Conclusions of Law and a Recommended Order to the Executive Director, recommending dismissal of Uranium Watch's ("UW") Request for Agency Action ("RAA") regarding the Utah Department of Environmental Quality, Division of Radiation Control's ("DRC") issuance of Amendment No. 8 to *EnergySolutions*, LLC's ("*EnergySolutions*") 11e. (2) Byproduct Material License (RML UT 2300478).

FINDINGS OF FACT

On August 26, 2013 UW, DRC and *EnergySolutions* stipulated to the dismissal of UW's RAA in this proceeding. The parties' stipulation provides that the dismissal of UW's RAA does not waive UW's right to raise issues related to DRC's compliance with the Atomic Energy Act or regulations promulgated by the Nuclear Regulatory Commission in other permit review adjudicatory proceedings.

CONCLUSIONS OF LAW

With the dismissal of UW's RAA, no issues remain to be adjudicated regarding DRC's issuance of Amendment No. 8 to EnergySolutions' 11c (2) Byproduct Material License (RML UT 2300478) on February 6, 2013.

RECOMMENDED ORDER

Based on the stipulation of the parties, I recommend that the Executive Director of the Department of Environmental Quality issue an order dismissing UW's RAA and affirming DRC's issuance of Amendment No. 8 to EnergySolutions' 11e.(2) Byproduct Material License (RML UT 2300478) on February 6, 2013, in the form attached hereto as Exhibit A.

NOTICE FOR OPPORTUNITY TO COMMENT

Parties may file comments to this Recommended Decision with the Executive Director within ten business days of issuance of this Decision in accordance with the requirements of Rule 305-7-213(4). Comments shall not exceed 15 pages. A party may file a response to another party's comments, not to exceed five pages within five business days of the date of the service of the comments.

Dated this 30th day of August, 2013.
