Fees remitted quarterly	yes	yes
All staff appropriately Certified	yes	yes
Uncontrolled pollution sources identified	DND	DND
No. of fish kills/or spills investigated	0	0
Tank tightness test	167	134
Visual inspection of batch plant		
Complaints about sewage	20	22
Procedures to determine high ground water levels	31	27

AIR QUALITY/RADON	2004	2005
No. of phone calls received	10	6
Info packets/test kits distributed	0	0
Radon presentations	0	0
Residences inspected	0	0
Document awareness activities conducted	0	0
School and public bldg inventory status	0	0
AQ complaints	10	9
Inspection of uranium sites		
Gasoline I/M program (Vehicles tested)	DND	DND
No. of news releases	DND	DND
PSA's Obtained	DND	DND
No. of calls received	DND	DND
No. of notices issues	DND	DND

LEAD-BASED PAINT	2004	2005
Employee certification	2	4
Compliance inspection reports		
No. of call received	24	22
Materials distributed	24	22
Inspection of child occ. facility	4	3

SOLID & HAZARDOUS WASTE	2004	2005
Number of transporters	215	212
Total number of inspections	215	212
Educational efforts		
Landfill inspections		
No. of emergencies/complaints responded to	DND	19
Complaints received	DND	19
Complaints followed up	DND	19
Complaints resolved	DND	17
Consultations		
Meth labs identified	DND	2

USED OIL	2004	2005
UOCCs Inspected	70	54
Non-compliance ctrs	DND	0
No. of complaints investigated	DND	5
Steering committee meeting attended	DND	4
Public education articles published	DND	DND
Attendance at used oil training seminar	DND	DND
No. of gallons of used oil collected	DND	<b>DND</b>
