Joseph B. Shaffer, Director  
Tri-County Health Department  
133 South 500 East  
Vernal, UT 84078

Dear Mr. Shaffer:

With this letter, I am forwarding the proposed one-year contract and work plan for FY12. As we have previously discussed, this represents an interim measure while we continue to work together to revamp the Environmental Service Delivery contracting process.

The workplans were previously e-mailed to each Local Health Officer and Environmental Director to assure that content was acceptable. We received an e-mail from you that your Department had looked it over and was okay with your workplan. Since then, we made a slight change by simplifying requirements under the "Get the Mercury Out" program and by changing the name of the company with the state disposal contract

The total funding allotment Tri-County Health Department for FY2012 is \$64,315.

Funding and adjustments become effective July 1, 2011. Annual reports on current fiscal year work are due by August 31, 2011. As we did last year, an e-mail with the simplified reporting form will be sent out in late July.

Please review these documents and, if you are in agreement, sign and return them. If you have concerns, let Renette Anderson know and she will work with you to resolve them.

Thank you for your continued partnership efforts.

Sincerely,

Brad T Johnson,  
Deputy Director
