David Blodgett, Director  
Southwest Utah District Health Department  
620 South 400 East, Suite 400  
St. George, UT 84770

Dear Dr. Blodgett:

With this letter, I am forwarding the proposed one-year contract and work plan for FY15. The total funding allotment for Southwest Utah District Health Department for FY15 is \$128,369. This represents:

- Increased Drinking Water funding from \$34,528 to \$51,965. Additional monies were made available to the Division by the Legislature. The funding is based on the total amount available for local health activities and is divided amongst the Local Health Departments, based on the number and type of sanitary surveys performed.
- All other funding remains the same.

Funding and adjustments become effective July 1, 2014. As in years past, the funds will be disbursed in quarterly installments beginning on August 1. Annual reports on current fiscal year work are due by August 31, 2014. The reporting form will be sent out in late July.

Please review these documents and, if you are in agreement, sign and return them. The contract this year includes a provision for electronic signatures (see Attachment C), if you prefer.

If you have concerns, let Renette Anderson know and she will work with you to resolve them. Thank you for your continued partnership efforts.

Sincerely,

Brad T Johnson,  
Deputy Director
