DIVISION OF WATER QUALITY  
UTAH DEPARTMENT OF ENVIRONMENTAL QUALITY  
PUBLIC NOTICE TO REISSUE A UPDES PERMIT

**PURPOSE OF PUBLIC NOTICE**

THE PURPOSE OF THIS PUBLIC NOTICE IS TO DECLARE THE STATE OF UTAH'S INTENTION TO ISSUE A UTAH POLLUTANT DISCHARGE ELIMINATION SYSTEM (UPDES) PERMIT UNDER AUTHORITY OF THE UTAH WATER POLLUTION CONTROL ACT, SECTION 19-5-104(9) AND 107(2), UTAH CODE ANNOTATED 1953, AS AMENDED. SAID "PERMIT" REFERS TO THE UPDES PERMIT AND THE FACT SHEET STATEMENT OF BASIS (INCLUDING TOTAL MAXIMUM DAILY LOADS (TMDL'S)) IF APPLICABLE, AS PER SECTION 303(D) OF THE FEDERAL CLEAN WATER ACT (CWA)].

**PERMIT INFORMATION**

PERMITTEE NAME:	Midway Fish Hatchery
MAILING ADDRESS:	P.O Box 145610, Salt Lake City, UT 84114-5610
TELEPHONE NUMBER:	801-538-7200
FACILITY LOCATION:	850 South 140 East, Midway, UT 84049
UPDES PERMIT NO.:	UT0025879
PERMITTED OUTFALLS	001A
RECEIVING WATER:	Snake Creek, thence Middle Provo River, thence Deer Creek Reservoir

**BACKGROUND**

This facility has previously been covered under both individual permit and the General Permit for fish hatcheries. With the exception of phosphorous, this facility meets all of the requirements to be covered under the General Fish Hatchery permit. However, since specific phosphorus limitations are required of this facility in the Deer Creek Reservoir Drainage TMDL study (March 2002), this facility cannot be covered under the General Permit. As a result, all of the effluent limitations are identical to the Fish Hatchery General Permit, with the addition of phosphorous as required.

**PUBLIC COMMENTS**

Public comments are invited any time prior to the deadline of the close of business on November 22, 2015. Written public comments can be submitted to: Lonnie Shull, UPDES Storm Water Section, Utah Division of Water Quality, P.O. Box 144870, Salt Lake City, Utah 84114-4870 or by email at: [lshull@utah.gov](mailto:lshull@utah.gov). After considering public comment the Utah Division of Water Quality may execute the permit issuance, revise it, or abandon it. The permit is available for public review under <http://www.deq.utah.gov/NewsNotices/notices/water/index.htm>. If internet access is not available, a copy may be obtained by calling Lonnie Shull at 801-536-4394.
