Re: March 2005 License Amendment Request, Shootaring Canyon Facility: **Request for Additional Information – Completeness Review.**

Dear Mr. Craft,

We have reviewed your March 2005 submittal, which included the following documents:

1. Shootaring Canyon Uranium Processing Facility Environmental Report, Source Material License No. UT0900480; January 2006.
2. Shootaring Canyon Uranium Processing Facility Tailings Management Plan Amended – 2005.
3. Tailings Reclamation and Decommissioning Plan for Shootaring Canyon Uranium Project – 2005.

This completeness review was conducted by URS Corporation on behalf of the DRC. From this review we have found a number of information items that need to be addressed and resolved. Please provide additional information to resolve the questions and issues outlined in the attached May 4, 2006 URS Results of Completeness Review.

If you have any questions or concerns regarding this Completeness Review, please call me at 801-536-4255. We would also be happy to meet with you or your consultants to discuss these issues further.

Sincerely,

Molly Gregersen
